MAT 204, Spring 2009. Homework 5.
Due in class (or to Alison) on Wednesday May 13th.

These review questions are in the style of mid-term questions. Although you don’t need to turn them in until after the mid-term, I strongly suggest that you work through them before then for practice.

(a) Exercise 9.1 from the text book

(b) Exercise 9.2 from the text book
